POSITION SUMMARY

Typically, this is a full-time position offering professional growth potential. In the role of junior designer, you will participate in the design and documentation of multi-family residential, senior living, and K-12 school developments. We are seeking individuals who are energetic, motivated, and technically proficient to join our collaborative office environment.

POSITION RESPONSIBILITIES

- Work with project team on various phases of projects from conceptual design through construction administration.
- Produce design and construction drawings in Revit format that are complete and accurate.
- Manage own schedule and workload, completing tasks assigned in a timely manner.
- Jobsite visits and other CA tasks as applicable.

QUALIFICATIONS AND SKILLS

- Bachelor's or Masters' Degree from an accredited Architecture program.
- 0-3 years of experience in an architectural office.
- Proficiency in Revit. Sketchup, Photoshop, InDesign skills also appreciated.
- Strong design skills.
- Strong communication skills.
- Experience with sustainable building systems such as LEED BD+C or LEED for homes or Green Point Rating are a plus.

COMPENSATION AND BENEFITS

The non-exempt hourly compensation range for this role will be \$26.44 – \$33.65. HKIT Architects offers eligible employees a rich benefit package including employee medical, dental & vision insurance, life, LTD & STD insurance, FSA and 401k plans.

HOW TO APPLY

Interested applicants should send a cover letter, resume and portfolio to careers@hkit.com. Subject must include **Job # 2301**.

No calls or third-party recruiting firms/consultants please.
